

May 2018

Dear Friends:

We are joining with other law offices this month to help put food on the tables of less fortunate members of our community.

In May, we will donate money and volunteer our time to the Food From The Bar campaign.

This effort is designed to restock food banks as the school year comes to a close.

Summer is a critical time when many children lose access to free and low-cost meals at school.

I am proud to stand with attorneys throughout Los Angeles County who have raised more than \$3.6 million over the past 10 years.

You can make a difference too.

I invite you to visit the Los Angeles Regional Food Bank website and [make a donation](#) or sign up to volunteer.

Every dollar you give provides food for four meals for hungry children, seniors and families.

Let's all pitch in.

Together, we can fight hunger and give hope.

A handwritten signature in blue ink that reads "Jackie Lacey".

Jackie Lacey  
Los Angeles County District Attorney
