

2016 TRAINING SCHEDULE

Mental Health Awareness: Crisis Intervention Tactics for First Responders

**16 hours / Two days / POST Plan IV / SB 29 Compliant
FREE for Law Enforcement in L.A. County**

The Mental Health Awareness program will focus on improved police response to incidents involving persons with mental illness, intellectual disabilities and substance use disorders.

This course is designed specifically for first responders from local law enforcement agencies.

POST Continuing Professional Training Credit:

This course has been approved by POST for 16 hours of CPT credit under POST Plan IV.

Perishable Skills Credits:

This course offers two hours of POST perishable skills credit that will count toward the Tactical Communication / Interpersonal Skills category.

Field Training Officer Requirements:

This course satisfies the new legislative requirements in Senate Bill 29 for field training officers to attend a crisis intervention behavioral health training course.

**Advance registration is required. There is no cost to attend.
This program is open to local law enforcement personnel only.**
