

Homelessness Advisory Board

Azarin Jazayeri

Board Member

Azarin Jazayeri brings over a decade of consulting experience and currently serves as a transformation leader in financial services, lending her expertise to the Homelessness Advisory Board. With a strong foundation in strategic planning and program management, she drives data-informed decision-making, operational excellence, and sustainable, scalable solutions.

Deeply committed to social impact, Azarin is motivated by firsthand experiences witnessing the daily challenges of homelessness both in her community and across Los Angeles, fueling her dedication to fostering lasting and positive change.
