Guidelines for Completing the Real Estate Fraud Complaint Form

Before filling out the attached complaint form, please take the time to read these guidelines. They will help you to understand our function and we will be better able to understand and act on your complaint.

What We Can Do:

The Los Angeles County District Attorney's Office (LADA) Real Estate Fraud Unit investigates real estate fraud cases occurring in Los Angeles County. The types of cases which will be considered for investigation by the LADA Real Estate Fraud Unit are those that result from various fraudulent real estate transactions and/or schemes such as submission of forged loan applications, fraudulent transfers of title of real property, recordation of fraudulent real estate documents, home equity contract fraud, and mortgage foreclosure consultant fraud involving the fraudulent transfers of real property title.

When we receive a consumer complaint, we review all the information and the supporting documentation that is included. If the complaint does not meet the above described criteria to open a case, we will do our best to refer you to an agency that can handle your case. Many real estate consumer disputes are not appropriate for government action but are appropriate for private legal action. It is generally a good idea to consult with private counsel to explore civil remedies that might be available.

This office is not legally permitted to represent individuals in civil matters, take action in order to obtain money owed a consumer, help cancel any debt due on a contract that was signed, resolve or mediate individual consumer complaints, or obtain any other personal relief. Those functions are performed by a number of other government agencies established for that purpose.

If you believe you have been a victim (or have information) of real estate fraud, or you have suffered a loss involving your home or purchase of a home due to fraud, please complete this complaint form.

Upon completion of all sections of the complaint form, **please mail** the form, along with supporting documentation, to:
