**Officer-Involved Shooting Reports  
for November 2017 Posted**

The Los Angeles County District Attorney's Office today posted on its website six officer-involved shooting (OIS) reports for the month of November 2017.

No in-custody death reports were issued for the month.

Furthermore, an officer-involved shooting report dated Oct. 5, 2017 was inadvertently left out of last month's posting. It has been added to the October list of OIS reports.

Some information, including the compelled statements of law enforcement officers, is confidential under California law and therefore is redacted.
