LOS ANGELES COUNTY DISTRICT ATTORNEY'S OFFICE

Scott Dominguez

DA Liaison

Scott Dominguez has served with the Los Angeles County District Attorney's Office since 2008 and currently holds a supervisor role as Assistant Head Deputy at the Airport Court Branch Office. He has handled a wide range of serious felony matters, including violent crimes and complex white-collar prosecutions. In addition to his trial work, Scott has taken on significant leadership responsibilities, mentoring younger prosecutors and helping guide the felony Preliminary Hearing Division, one of the busiest divisions in the office. He has also contributed to training efforts, including serving as a speaker on white-collar crime topics, further strengthening prosecutorial excellence within the office.

Beyond the courtroom, Scott has been actively involved in community engagement, particularly through his role on the Los Angeles County District Attorney's Interfaith Advisory Board. In that capacity, he helps foster relationships between the DA's Office and diverse faith-based communities across Los Angeles County. His prosecutorial experience informs his ability to communicate legal processes clearly and build trust with community leaders. Through this combined commitment to justice and outreach, Scott strives to not only enforce the law at the highest level but also strengthen the connection between the justice system and the communities it serves.
