LOS ANGELES COUNTY DISTRICT ATTORNEY'S OFFICE

JoAnn Figueroa

Board Member

JoAnn Figueroa is a dedicated employee for the Los Angeles County District Attorney's Office, where she supports the Recruitment Unit and helps oversee the Volunteer Program. She earned her Masters of Advanced Studies in Criminology, Law and Society from UC Irvine in 2023—an accomplishment she's very proud of and occasionally reminds her family about when they ask her to Google things for them.

JoAnn's commitment to community engagement and service is deeply shaped by her faith. She has attended Calvary Chapel since the fourth grade and has been an active member of the church for more than a decade. For the past seven years, she has volunteered multiple times a week, gaining firsthand insight into the evolving needs, strengths, and challenges within her religious community. Her experience attending Christian churches in both Southern California and Baja California, Mexico has strengthened her appreciation for the diversity of spiritual traditions and the importance of building bridges across them.

As a member of the Interfaith Advisory Board, JoAnn brings a perspective grounded in service, collaboration, and a genuine desire to help build bridges among Los Angeles County's many faith groups. She looks forward to contributing to initiatives that promote understanding, respect, and community connection.

Outside of her professional and volunteer work, JoAnn is a proud wife and mom to a toddler—an experience that has given her a special talent for multitasking, patience, and negotiating with someone who has very strong opinions about snacks.
