

Los Angeles County District Attorney's Office Asian American & Pacific Islander Advisory Board

Danny Hang Board Member

Danny is a native Angelino who was born and raised in the beautiful San Gabriel Valley. He is the proud son of Chinese-Vietnamese refugees who fled the Vietnam War in search of hope, freedom, and the American dream.

After earning his bachelor's degree from Loyola Marymount University, Danny kicked off his career in public service at the Social Security Administration, where he adjudicated Supplemental Security Income benefits for people with disabilities and older adults.

Having fueled his passion for serving others, he returned to school to pursue a double master's in Social Work and Gerontology from the University of Southern California. He has since been employed by the County of Los Angeles as a Disability Retirement Investigator.

His involvement with the community led to his appointment as an at-large member of the West Hollywood Disabilities Advisory Board. He worked hard to address issues affecting people with disabilities, including ADA compliance, transportation, housing, and access to City government and services for people with disabilities. He was later appointed to the West Hollywood Business License Commission. Additionally, he was also appointed as an alternate member of the Commission on Judicial Nominees Evaluation by the State Bar Board of Trustees.

Danny is a proud member of the West Hollywood community where he resides with his cat Piper. His focus is on improving the community through servant leadership.
